Overview

Northwind designs, installs and supports conference, command center and courtroom AV systems for federal agencies. Our cleared technicians deliver on secure sites, and our CTS-D designers document every system to agency standards.

Core competencies

- Conference room and huddle space AV
- Command center and video wall systems
- Courtroom audio and evidence presentation
- Secure (SIPR/NIPR) collaboration rooms
- Structured cabling and fiber
- Maintenance and on-site support

Past performance

Department of Defense, Department of the Army
Conference room AV modernization, 22 rooms, with SIPR/NIPR separation
$1.2M · 2024–2025 · W91QV126F0042

Department of Homeland Security, U.S. Immigration and Customs Enforcement
Video wall and operations center display upgrade
$487K · 2025 · 70CDCR25P00000318

General Services Administration, Public Buildings Service
Courtroom audio reinforcement and assistive listening
$319K · 2024–2025 · 47QSWA24F0SAMP

Additional experience
