Draft for discussion. This is a starting point, not legal advice: have your attorney review and adapt it before anyone signs.

MUTUAL NON-DISCLOSURE AGREEMENT

Northwind Integration Group LLC and Blue Ridge Low Voltage Inc.

This Mutual Non-Disclosure Agreement is made as of November 2, 2026 between NORTHWIND INTEGRATION GROUP LLC, 1200 Sample Street, Suite 400, Arlington, VA 22201, and Blue Ridge Low Voltage Inc.. Each may share information with the other, so each is both a "Discloser" and a "Recipient."

1. **Purpose**
   Evaluating and pursuing a teaming arrangement for Conference Room AV Refresh, Building 210 (W91QV1-27-R-0007), including technical approach, staffing and pricing.

2. **Confidential information**
   Confidential information is non-public business, technical, pricing, staffing and customer information a Discloser shares for the Purpose, in any form, that is marked confidential or that a reasonable person would understand to be confidential.

3. **What isn't covered**
   Information that is or becomes public through no fault of the Recipient; that the Recipient already knew without restriction; that the Recipient develops independently; or that the Recipient receives lawfully from someone with no duty to keep it confidential.

4. **How it's protected**
   The Recipient will use confidential information only for the Purpose, share it only with its employees, advisers and teammates who need it for the Purpose and are bound by similar duties, and protect it with at least reasonable care. The Recipient is responsible for anyone it shares it with.

5. **Required disclosure**
   If the law, a court or a government agency requires disclosure, the Recipient may disclose what is required after giving the Discloser prompt notice, where allowed, so it can seek protection.

6. **Government and export-controlled information**
   Information marked as Controlled Unclassified Information, or subject to export control laws (ITAR or EAR), will be handled as those markings and laws require. Neither party will share classified information under this Agreement.

7. Returning information

When the Discloser asks, or when this Agreement ends, the Recipient will return or destroy the Discloser's confidential information, except copies kept in routine backups or required by law, which stay protected.

8. No license or obligation

All information stays the Discloser's property and is provided as is. This Agreement grants no license and does not require either party to share any particular information or enter into any further agreement.

9. Term

This Agreement covers information shared during the 2 years after the effective date. The Recipient's duties for each item last 3 years after it is shared, and for trade secrets as long as they remain trade secrets.

10. Remedies, law and entire agreement

Unauthorized disclosure may cause harm money can't fix, so the Discloser may seek injunctive relief in addition to other remedies. This Agreement is governed by the laws of VA, is the parties' entire agreement on this subject, and may be changed only in a signed writing.
